National Poster Contest Winner

The Gr. 6 class recently participated in a National Poster Contest. The poster had to demonstrate the importance of immunization. This means it had to show why it is so important to get your needles to prevent sickness and disease. We are very excited to announce that one of our Grade Six students has been chosen as the Provincial winner for Nova Scotia.

Congratulations to Makenzi Sangster for her excellent poster. She will be receiving prizes in the mail in December. As well Makenzi's artwork will be revealed and displayed at the Canadian Immunization Conference held in Ottawa. Great job Makenzi.
